

100 BARRINGTON

## BAND & DJ INFO SHEET

Joe Lucas: 07939 085 408

100 Barrington Office: 020 4542 3434

### ON ARRIVAL

There is free parking on Barrington Road outside the venue on any single yellow line after 5.30pm on Fridays and all day Saturday and Sunday, however we recommend checking for any temporary suspension that may be in place.

### LOAD IN

Load in is from the Barrington Road entrance directly into the main space.

You cannot gain access to the space until the allotted change over time; please check with the clients or the Barrington Office as to the schedule of the day.

Please note that the room is normally being used for a sit-down meal and all guests must be fully vacated before any set-up can commence.

### CHANGEOVER TIME

The changeover time is always tight, the tech team will make sure that your set up area is cleared of tables and chairs first so as to give you as much time as possible.

- Expected set-up/changeover time for **PLAYLIST** sound-system c.30 minutes
- Expected set-up/changeover time for **DJ** setup c.45 minutes
- Expected set-up/changeover time for **BAND** setup from 90 minutes. Please note that this varies depending on the band's requirements and number of musicians etc. Please speak to your band and to Joe about this.

## GREEN ROOM

Please note that there is NO green room, however, you are welcome to share the 100 Barrington Duty Manager's office space. Please note that this this is an operational office during the event so please be respectful of others working.

## EQUIPMENT

We will provide the FoH PA system. Please do not bring your own as you will not be able to use it.

## BANDS

You are responsible for supplying everything else you need including desk, monitoring, lighting (for yourselves, basic dance floor lighting is provided) and engineer unless prior arrangement had been made.

## DJs

We will supply:

- DJ booth
- CDJ2000 Nexus S2s
- DJM900 Nexus S2
- A monitor.
- If you require turntables a set of 1210s is available on request.

Please bring your own head shells.

If you are bringing a controller and do not require the CDJs please let us know in advance.

Basic lighting is provided for the dancefloor.

For any questions or queries, please contact Joe on 07939 085 408
